# APP HEALTH

Consult the client's schedule and medical history. Schedule treatments and check appointments.

# TOURISM

From large online booking channels to small portals, Channel Manager allows you to connect with all the portals you need to sell your accommodation around the world.

Globalbooking is a booking engine that allows its guests to make reservations for their local accommodation directly through its website.

- Increase bookings made directly on your website.
- It saves time and is easy to use.
- You have access to better data to make decisions.
- It differs from competitors that do not have a Booking Engine.

## CLOUD SERVICES / SOFTWARE

- Billing
- Planning
- Reservations
- Stays
- Statistics

# COMPANIES

Simplify your company's invoicing processes.  
The platform adapts to different realities, regardless of the type of business, location or sales volume.  
It works in the Cloud, so you'll always have access to the best technology.

## CLOUD SERVICES / SOFTWARE

- Billing
- Current Accounts
- Stocks
- Orders
- Purchases
- Banks

# FOR ALL BUSINESS

# ENSINO

It provides a solution in a Cloud environment that allows you to efficiently manage an educational institution, whether in the area of School Management, or in the management of the institution's complementary services such as the Bar, Canteen, Library or Reprography.

This solution is a flexible and adaptable tool to most educational systems, with a great capacity for configuring, managing and modifying process models.

The different modules can work independently or in an articulated way, depending on the institution's needs and requirements.

## CLOUD SERVICES / SOFTWARE

- Gestión escolar
- Biblioteca
- Reprografia
- Cantina
- Bar

UNIVERSITIES

POLYTECHNICS

COLLEGES

SCHOOLS

# CONSULTING | ADVISORY | AUDIT

We stand out for offering a differentiating service that generates real gains for our client. Our services are based on three phases: identification of needs, promotion of solutions and recommendation of actions.

## Public Area

- PUBLIC ACCOUNTING
- INVENTORY
- TAXATION
- INTERNAL CONTROL
- REPORTS

## Private Area

- ACCOUNTING
- MANAGEMENT
- SALARY PROCESSING
- INTERNAL CONTROL
- IMMOBILIZED
- TAXATION
- REPORTS

## Advisory

- LEGAL ADVICE
- PUBLIC CONTRACTS
- HUMAN RESOURCES

## Audit

- PUBLIC AUDIT
- PRIVATE AUDIT

# Academy

The experience we gained allowed us to gain the know-how and knowledge necessary to present the Academy.

We identify the problems and difficulties that professionals face in performing their duties, and therefore, we develop training offers that aim to boost the careers of those who attend them.

# Courses

- Accounting Course
- Workshops
- Advanced Postgraduate Specialization
